Note: to Manufacturer's:

If you believe your product qualifies to be listed on one of EBMUD's lists of qualified irrigation products. Go to current proposals at <http://ebmud.com/business-opportunities/materials-and-supplies/current-proposals> and open RFI for landscape irrigation equipment qualified for rebate. Confirm your product meets EBMUD's specifications in the RFI. If your product meets EBMUD specifications provide the requested equipment information in a table format. EBMUD's lists of qualified products will be updated the last business day of each month.
